- Garbage carts are picked up weekly; recycling carts are picked up on a bi-weekly basis.
- Carts must be out by 7 a.m. on the day of pickup.
- A single calendar shows what zone you are in and what day your garbage and recycling will be picked up.
- Garbage and Recycling are picked up on stat holidays, with the exception of Jan. 1, Nov. 11 and Dec. 25.

How to use this calendar:

Your garbage and recycling zone can be easily located in three different places. You can find this information on page 2, in the street listings on pages 3 & 4, and on the zone map on Page 5. Your zone determines what day your garbage and recycling will be picked up. Garbage Zones are numbered 1 – 5. Garbage is picked up weekly. Recycling Zones are identified as A and B. Recycling is picked up bi-weekly. Please make sure you are familiar with the garbage and recycling zone your address is affiliated with.

The garbage and recycling calendar on page 2 contains all the information you will need about garbage and recycling pickup, including your zone and when yard waste collection and large item pickup begin and end.

Yard Waste (April 29 - November 01)

THE R.M. OF EAST ST. PAUL WILL ONLY ACCEPT YARD WASTE THAT IS CONTAINED IN THE FOLLOWING:

- Any reusable container without a lid (e.g. plastic tubs, old recycling boxes, metal or plastic garbage cans).
- Paper yard waste bags.
- Yard waste in plastic bags will not be collected.
