Permit and Receipt _____
Signature

This certifies that the above named applicant is granted a permit to do the work described in and for the purpose shown in the above application, and that payment has been made for the said permit of the amount shown hereon. Each permit is granted subject to the terms of the agreement contained in the said application and subject to the provisions of the by-laws of The Rural Municipality of East St. Paul or any statute or regulation of the Government of Canada or the Province of Manitoba.

This permit shall expire if active work is not commenced and reasonably continued within 30 days from the date hereof.

WARNING – READ THIS BEFORE YOU BEGIN TO WORK – If power equipment or explosives are to be used for the excavation authorized by the attached permit, no work shall be commenced BEFORE: 1. The local office of the Gas Company has been notified of the proposed excavation, and 2. The Gas Company has marked out the location of any endangered gas installations, OR the Gas Company has advised that no gas installations will be endangered by the proposed excavation. For specific details, refer to Manitoba Regulation 377/88 made under The Gas Pipeline Act.

Additional Conditions:

1. The Manitoba Plumbing Code.
2. The meter is to be installed by a licensed plumber and inspected by the R.M. of East St. Paul. Water meters and accessories will be supplied by the R.M. of East St. Paul. This will include: 5/8 x 3/4 T-10 Neptune Water Meter, Radio Frequency Box and 2 Tailpieces.
3. Repeat/After Hour inspections will be charged to the applicant at a rate of \$100.00 per visit plus travel cost as prescribed in the Treasury Board of Canada Secretariat, Travel Directive, Appendix B – Kilometric Rates.
4. That the Applicant (or Company) have a valid and current Contractor's License.
5. All aspects of the work performed be guaranteed in workmanship and free of any and all defects for a period of two years.
6. The Minneapolis style curb stop must be exposed and location identified.

Personal information collected will be used to determine whether or not a person is eligible for a water connection permit.
