I undertake to observe and perform the provisions of all Government or Provincial statutes or regulations, all by-laws and regulations of The Rural Municipality of East St. Paul, and all specifications or instructions issued by the duly authorized officers of The Rural Municipality of East St. Paul in respect of the work incidental to the subject matter of this application and to indemnify The Rural Municipality of East St. Paul against all loss, costs, charges or damages caused by or arising out of anything done pursuant to any permit issued under this application.

**Permit and Receipt** \_\_\_\_\_

**Signature**

This certifies that the above named applicant is granted a permit to do the work described in and for the purpose shown in the above application, and that payment has been made for the said permit of the amount shown hereon. Each permit is granted subject to the terms of the agreement contained in the said application and subject to the provisions of the by-laws of The Rural Municipality of East St. Paul or any statute or regulation of the Government of Canada or the Province of Manitoba.

This permit shall expire if active work is not commenced and reasonably continued within 30 days from the date hereof.

**WARNING – READ THIS BEFORE YOU BEGIN TO WORK** – If power equipment or explosives are to be used for the excavation authorized by the attached permit, no work shall be commenced BEFORE: 1. The local office of the Gas Company has been notified of the proposed excavation, and 2. The Gas Company has marked out the location of any endangered gas installations, OR the Gas Company has advised that no gas installations will be endangered by the proposed excavation. For specific details, refer to Manitoba Regulation 377/88 made under The Gas Pipeline Act.

**Additional Conditions:**

1. The Manitoba Plumbing Code.
2. Repeat/After Hour inspections will be charged to the applicant at a rate of \$100.00 per visit plus travel cost at \$0.45 km
3. That the Applicant (or Company) have a valid and current Contractor’s License.
4. All aspects of the work performed be guaranteed in workmanship and free of any and all defects for a period of two years.

Personal information collected will be used to determine whether or not a person is eligible for a sewer permit.

**Warning**

The Permit Applicant shall contact the R.M. of East St. Paul Operations Department @ 204-668-8336, **48 hours prior** to any construction. The Applicant is responsible to arrange for all necessary clearance from all underground utilities prior to any excavation.
